In the period of 9th – 12th of May 2024 the pupils event of the project "The Music Balkan Train for Peace" took place in Larissa, Greece.

The opening of the event started with a welcoming speech by a representative of the Greek NGO AID. Then the tasks and objectives of the event for students were described.

The second day of the event, the project partners were welcomed with a concert by the students from the Music School of Larissa. Then each transnational student team presented their song. All the teams were evaluated and the winning team was declared. All the work was summarised and a ceremony for the winning transnational student team was organized.
